CIVIL ACTION NO. 04:-CV-10281 EFH

---

ASSENTED TO MOTION TO EXTEND THE TIME FOR FACT DISCOVERY

---

TO THE UNITED STATES DISTRICT COURT:

Plaintiff ARY Jewelers, LLC ("Plaintiff") files this Assented to Motion to Extend the Time for Fact Discovery and in support thereof would respectfully show the Court the following:

1. On May 4, 2004, the Court approved the parties' joint statement pursuant to Local Rule 16.1(D), which set March 14, 2005 as the deadline for completing fact discovery. The Rule 16.1(D) statement also set deadlines for expert discovery and for the filing of summary judgment motions. This Motion is being filed before the fact discovery deadline. Due to circumstances, set forth more fully below, Plaintiff requests an enlargement of the deadline for fact discovery to June 15, 2005 and that all other deadlines similarly be extended by 90 days. Defendants have assented to these requests.
2. Defendants timely noticed the Rule 30(b)(6) deposition of the Plaintiff's corporate representative for March 9, 2005. Mr. Haji Razzak will appear at the deposition as Plaintiff's corporate representative. Mr. Razzak is convalescing from a recent hospitalization in Dubai and is

unable to travel long distances and be in cold climates at this time, as would be required for a trip to Boston or New York for the deposition. He will be able to travel to the United States in May and the parties have agreed to take his deposition then.

3. Additionally, because other depositions of fact witnesses remain to be taken, in the interest of conserving resources, the parties agreed to take these additional depositions at the time Mr. Razzak will be in the United States.

4. The parties have agreed to the following conditions with respect to enlarging the fact discovery deadline:

- a. Plaintiff may seek to take the depositions of Brian Kennedy, Frank O'Connor, and Tom Morgan, and to continue the deposition of David Molinario, but Plaintiff shall seek no other fact discovery of any kind. If Mr. Molinario's deposition is continued, Plaintiff's questioning shall be limited to 40 minutes, pursuant to Fed. R. Civ. P. 30(d)(2);
- b. Prior to taking any of the depositions set forth in paragraph 1 above, Plaintiff shall produce Mr. Razzak for a Rule 30(b)(6) deposition in New York City or Boston and, in connection with the deposition, shall procure a mutually acceptable certified translator at Plaintiff's expense;
- c. Plaintiff shall serve its answers to Defendants' outstanding Requests for Admissions, dated February 16, 2005, by March 21, 2005;
- d. Defendants shall not be precluded from seeking additional fact discovery consistent with the extended cutoff date consented to herein; and
- e. Other than the agreements set forth herein, neither Plaintiff nor Defendants shall be

precluded from seeking to enforce any rights and/or remedies pursuant to the Federal Rules of Civil Procedure governing discovery and/or discovery disputes.

5. Rule 6(b) of the Federal Rules of Civil Procedure allows the Court to enlarge the time for conducting fact discovery. The interests of justice and judicial economy would be served by enlarging the fact discovery deadline. Thus, Plaintiff requests that the deadline for fact discovery be enlarged from March 14, 2005 to June 15, 2005, and that all other deadlines in the parties' Rule 16.1(D) statement similarly be extended by 90 days. As stated above, Defendants assented to these requests.

WHEREFORE, Plaintiff and Defendants ask that this Motion be granted.

Respectfully submitted,
